

## ***STOP THE ESTATE ADMINISTRATION TAX***

### **To the Legislative Assembly of Ontario:**

**Whereas:** life under this Liberal government has become more and more unaffordable; and

**Whereas:** Ontarians' assets are already taxed multiple times throughout their lives; and

**Whereas:** the Liberal government has raised taxes through new eco fees, a health tax, and increased income taxes multiple times; and

**Whereas:** the Estate Administration Tax in Ontario is the highest of any province in Canada.

**Therefore:** We, the undersigned, petition the Legislative Assembly of Ontario as follows: That the Ontario Government repeal the Estate Administration Tax immediately.
