

Petition in Support of Bill 99 – Choice for Patients Seeking Addictions Treatment Act, 2017
To the Legislative Assembly of Ontario:

Whereas: Patients and family members seeking residential treatment facilities are often faced with long waiting lists for treatment and residential beds; and

Whereas: Patients and their families need an open and transparent process to be able to quickly find appropriate and effective treatment options when a loved one is seeking help; and

Whereas: there is no central location that lists the publically funded and privately funded agencies who provide residential substance treatments operation across Ontario; and

Whereas: a searchable database will give patients and their families a resource that will allow for choice and confidence in placing their loved one into treatment,

Therefore: We the undersigned, petition the Legislative Assembly as follows: to adopt Sylvia Jones MPP’s Private Member’s Bill, Bill 99, the Protecting Patients Seeking Addiction Treatment Act, 2017.
