

Petition for Advanced Green in Shelburne
To the Legislative Assembly of Ontario:

- Whereas:** the intersection of Highway 89 and County Road 124 is a major artery for travel between Collingwood and the GTA;
- Whereas:** there have been a variety of serious car and pedestrian accidents at this intersection;
- Whereas:** Shelburne is the fastest growing community in Ontario, meaning traffic will only increase;
- Whereas:** County of Dufferin traffic data already shows a need for an advanced green;
- Whereas:** residents of Shelburne and the surrounding area deserve to travel their roadways safely;
- Therefore:** we the undersigned petition the Legislative Assembly of Ontario as follows: that the Minister of Transportation immediately install an advanced green at the intersection of Highway 89 and County Road 124 in the Town of Shelburne.
